

RHSC Sponsorship/Partnership Program

Players and parents can now benefit from getting team sponsorships!

With our new Rep Sponsorship program, players and parents can now benefit from getting team sponsorships, as parents who secure sponsors for their child's team will receive credit to use towards Club purchases. The breakdown for sponsorship which is secured by parents will be as follows:

- **35%** of the sponsorship total will be allocated to the parent/player's online account to use towards registration fees, merchandize or other Club purchases made within the calendar year. The parent can also choose to allocate all or part of the credit toward another player's account or donate it back to the RHSC Hardship Fund. Credit awarded to a player will not exceed the player's registration fees for the season which the sponsorship has been received.
- **30%** of the sponsorship total will be allocated to that parent/player's team account for the season which the sponsorship has been received. The funds remain with the team for use during the season.
- **35%** of the sponsorship total will be allocated towards the Club for fees and expenses.

The Sponsorship/Partnership Application Form can be found [on our website](#) and includes a detailed breakdown of the various sponsorship levels that are available.

- Sponsor Application Forms must be submitted to the Club's [Sponsorship & Partnership Team Lead](#) for consideration
- Sponsor Application Forms that are received are **NOT** guaranteed; the Sponsorship & Partnership Team Lead will review all applications and assign sponsorships
 - Our Club's Sponsorship & Partnership Team will be selling sponsorships on their own until **December 31st**. After this date anything left unaccounted for can then be sold to potential sponsors by our Club's parents.
- Once approved, payment must be received within 7 days

We believe this is a program that can be very valuable as everyone will benefit, including the sponsor, the team, the Club, and most importantly you and your child.

Below are a few notes regarding the Club Sponsorship/Partnership Program:

1. This Sponsorship/Partnership Program is a Club Initiative and DOES NOT touch on or in anyway take away from any fundraising or other sponsorship funding the team may receive outside of this program
 - The Club Sponsorship/Partnership Program will provide the Partner with pre-defined deliverables specific to the club and its properties

- Team based Sponsorships will NOT be afforded access to any club properties as part of the team's pre-defined deliverables to the sponsor. Unless otherwise agreed to by the Club Management

Purpose of the Club's Sponsorship/Partnership Program:

- Provide our parents and players with the opportunity to benefit, financially, from securing Sponsorships/Partnerships
- Provide team income for events and activities
- Engage our membership base and have them play an active role in their Club
- Provide the Club with needed income to support its growing overhead and program base

If you have any questions regarding the program, please contact our Sponsorship & Partnership Team at partnerships@richmondhillsoccer.com.

Thank you,

RHSC Sponsorship & Partnership Team
